Dear Jump Start Families,

Summer is approaching, and it is time to start planning and preparing for the 2024-25 competitive season.

Provided is the 2024 Summer workout schedule. The summer session is 10 weeks long, and all practices are held within each weekly camp. Practice days are Monday through Thursday or Friday, 9:00 am-1:30 pm, depending on the week. Gymnasts may stay until 3 pm each practice day for no additional fee. Lunch will be scheduled for each practice session.

Summer practices are mandatory for all team members and fundamental for building strength and skill acquisition. Please plan to attend as many camp practice weeks as possible, as this will determine your child's readiness for the 2024-2025 season. Family time and vacations are essential. A balance that your family is comfortable with is imperative.

In order to offer as much flexibility as possible to each family's summer plans, Team registration must be completed through the Parent Portal by May 1, 2024. Each of the 44 practice days is listed individually. There has not been a price increase, but the number of summer practice options has increased.

Team siblings receive a \$200.00 discount if they enroll for 33 or more practice days. Each practice is priced a la carte at \$45. Each practice from numbers 34 - 44 is at no additional cost. Summer Team fees can be divided into 3 equal payments due May 1, June 1, & July 1. Please email the payment request & it will be set up on your account. The camp theme is listed for each week. Aftercare 3:00-5:00 pm is \$10 per day. Preregistration is required for aftercare. There are no refunds for unattended aftercare reservations.

If you have any questions or concerns, please call or email. Every situation has a solution!

Thank You, and Sincerely, Maureen
